

Corporate Internet Banking

What You Need To Know!

- Internet Banking services **will not be available** beginning **Thursday, August 14, 2025 at 7 pm CST**. Please do not schedule **any transfers** with a settlement/effective date **beyond August 13, 2025**. Any transfers with a settlement/effective date after August 13, 2025 **WILL NOT** be processed.
- *With our assistance*, your company and employees with their own access will need to **re-enroll** in our new and improved Internet Banking services once we have restored access which is scheduled for no later than Tuesday, August 19, 2025. You will receive an email from State Bank with more information.
- You will also receive an email invitation from no-reply@sbtcajun.com with a subject line of **Internet Banking Setup** between August 17th and August 19th. This email will contain a link to complete the enrollment process. The link will expire 3 days after it is received.
- We **strongly encourage** you to **save or print** all your transfer history if this information is not already kept with your other business records you retain outside of Internet Banking.
- If you retrieve your bank statements electronically, we will assist you in re-enrolling for e-statements as well. Due to Internet Banking services being temporarily unavailable during this upgrade, we **strongly encourage** you to print or download any bank statements you may need while the services are offline.

If you have any questions, we encourage you to contact us at any location. We are available Monday through Friday 9 am-5 pm CST.
